

Materials

Sqaure paper

Steps

Fold a piece of square paper in half diagonally and then fold the triangle in half again, crease and then unfold the last fold.

Fold up about 1/4 of the long side.

Bring one side up and line up with the centre fold, crease well.

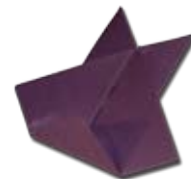

Fold the other corner up as well.

Turn the model over and fold the top of the diamond shape down.

Reverse the fold and tuck it in behind.

Turn it back over and fold the bottom up to make a stand. It will be stiff to fold.

Turn the bunny back over and draw a face.
